

Are you pregnant and interested in learning more about your Medicaid benefits?

Illinois Medicaid Managed Care Maternal Health Toolkit

This is a quick guide on:

- Benefits covered under Illinois Medicaid
- How to pick a doctor covered by your plan
- How and where to get medical equipment that you may need
- Mental Health Supports
- Dental and Vision Benefits
- Adding baby to health care plan

And more!

To learn more, scan the QR code above with a smartphone.

Don't know your plan? If you do not know which Medicaid Health Plan you have, please contact the Illinois Department of Healthcare and Family Services (HFS) at this number: **(800) 226-0768**.
